Office Memorandum • UNITED STATES GOVERNMENT
File 1651-11680

TO : District Director, Seattle, Washington.

DATE: October 11, 1950

FROM : Justin T. Bennett, Officer in Charge, San Pedro, Calif.

SUBJECT: ELSIE HOFFMAN, passenger, SS "MANCHURIA".

There is transmitted herewith Form 257-b and -d, covering the above named passenger, which form was inadvertently executed at San Pedro, whereas the passenger was destined to Seattle for six months visit. The boarding officer rectified his error by erasing his admission and returned the entire set of Form 257 to the passenger. However, the San Francisco office returned copies b and d of 257 to this office, believing that passenger had been admitted here.

Form 257-a is in the possession of the passenger.

Justin T. Bennett

I, N.P. Rasmussen, Master of the S. S. Passport Validity of Visa #70

Benn-Yuan Sah arrived this port on November 18, 1950, on the S/S
SURPRISE and was admitted with a valid passport and a Section 6a(3)
visa.

Mrs. Margaret Sah had a quota visa and a valid passport issued to
her at Taipei, Taiwan, on July 31, 1950, and valid to July 30, 1953.
Mr. Benn-Yuan Sah had his passport issued the same time, and it is
valid to July 31, 1953, but on his visa the expiration date is given
as July 30, 1950, one day prior to its issuance. It appears to me
to be a typographical error on the part of someone at the Consulate.

Due to hardship and inconvenience upon the applicant and his family,
I admitted him with a valid passport and visa.
